

MCG AFFILIATE COMMISSION INFO

Scenario 1.

AFFILIATE provides client and candidate to MCG.

The McCandlish Group (MCG) places candidate (employee) on our payroll, invoices client weekly, handles all payroll admin for employee:

MCG charges Affiliate 9% of gross sales.

Affiliate commission (equals gross sales less MCG 9% fee and payroll costs) paid monthly to Affiliate.

Affiliate commission should equal about 15% of gross sales.

Scenario 2.

AFFILIATE provides CLIENT lead BUT MCG searches and finds the candidate for the client. Everything else is same as Scenario 1.

MCG charges Affiliate 18% of gross sales. Affiliate commission (equals gross sales less MCG 18% fee and payroll costs) paid monthly to Affiliate.

Affiliate commission should equal about 6% of gross sales.

Notes:

1. Clients given 30 days to pay all bills to MCG.
2. All Affiliate commissions accompanied by clients' billing reports.
3. Searches done by MCG usually accomplished in 5 days. Affiliate can be involved in final screening of candidate upon request.
